

OUR POLICY OF STAFF

To educate our staff who will work as a member of Doğan tourism incorporated company with certification by accredited institutions with occupational health, work training, and environmental training in order to ensure that the staff members of our workplace have sufficient knowledge and skills

Cleaning and hygiene of sheltering, working and resting places of the staff.

To establish interdepartmental cooperation, harmonization, and respect between units and make it permanent by the department manager and supervisors' regular follow up. Organizing sports, entertainment, cultural events for certain periods for staff. Educating the staff about how to use necessary equipment to avoid the loss of life and property. Avoiding religion, language, race discrimination among employees; and provision of interpersonal peace and peace environment and working in friendship and brotherhood. To welcome the hotel customers and to provide the environment necessary for him and his family to make the most healthy and safe vacation and a qualified service; the good-humored and well-educated staff should be ready to serve the customers.

Our staff should have the right to join the working union.

The importance of recognition of every aspect of the facility and the importance of behaving according to the concept and customer for a qualified service should be emphasized and explained to the staff by department managers.

Eliminating the missing items and provide the qualification of the staff in order to provide the best quality service for Turkish tourism. To accept the material and spiritual help to the staff who are going to school and needing help as a principle and to provide a working environment with peace and tranquility for the staff.

To tell and make them understood all the staff and managers that providing good quality and friendly service is the fundamental principle. And to make them behave regarding this principle.
